Industry Advisory Board — Computer Engineering Department 2025-26

Government Engineering College, Modasa was established in 1984 under the Commissionerate of Technical Education, Gujarat State, Gandhinagar in North Gujarat region with a view of strengthening the industrial development.

Government engineering college, Modasa is affiliated to Gujarat technological university and offering seven engineering disciplines. The region consists of industrially potential areas of Aravalli, Panchmahal, Sabarkantha, Banaskantha, Mehsana and Patan district of Gujarat. It is also recognized by an apex body in technical education, All India Council for Technical Education (AICTE), New Delhi.

In this era of highly advanced technology and industrial revolution, it has become necessary for academia to involve industry in academia processes so that industries can provide inputs as per the need of industry. In view of this, we are happy to invite you on our Industry Advisory board (IAB) for Computer Engineering Department. The IAB will guide the department in areas such as curriculum, how practical aspects of a syllabus can be demonstrated, awareness of faculty and students for a new technology, suggestions for laboratory development, students training, expert lecture, short training for industry personal, etc.
