Subject: Supply of 8 Computers under Anchor Institute Program

Dear Dr. Prabhakar,

The Steering Committee of the Anchor Institute Program at its meeting held on 14th December, 2018 has decided to provide 8 desk top computers to each of the 5 Nodal Institutes. Accordingly, your institute being one of the Nodal Institutes, would be provided with 8 computers of the following configuration:

Model Name - Dell Optiplex 3060MT

Specification - Core i5 8400/8GB Ram/1TB SATA HDD/DVD-RW/Windows 10 Pro/NVIDIA GeForce GT730 2GB/P2419H Monitor/5 Yrs NBD Warranty

The Steering Committee has authorized DA-IICT, Anchor Institute, to procure and supply computers to you. We have placed the order and the supplier will be delivering the computers at the College within three to four weeks. According to the requirement of the Anchor/Nodal institute program, you are supposed to designate a lab/room as a Nodal Institute lab. All assets provided under this program are required to be kept in this lab only. As soon as the machines are received and installed, please ensure that they are entered into the assets register of the College and treated as assets received under the Anchor/Nodal Institute Program.

The machines have a 5 year onsite warranty and the documents pertaining to the warranty will be provided to you after the machines are installed. As per the terms and conditions of Anchor Institute project, a committee comprising of a representative from DAIICT, a representative from your institute & a member of CED team will audit the stock at least once a year.

Please inform us the contact details of the official who would be responsible in handling the receipt and installation of the computers.

With best regards,
Prof. Amit Bhatt

Subject: Opening of Nodal Bank Account

Dear Dr. Prabhakar,

In the last steering committee meeting held on 14th December, 2018 it was decided that the Nodal Institutes need to open a bank account. Accordingly your institute being one of the Nodal Institutes, is required to open a nodal bank account.

You need to open an account with account name as "name of your institute - Nodal Institute". The account can be opened in any nationalized bank.

Please provide us bank details once the account is opened so that we transfer funds for operating expenses under Anchor Institute Program.

With best regards.

Amit Bhatt
AIP Convener

Minutes of the meeting for the 2nd steering committee meeting held at DAIICT on December 14th, 2018

2nd Meeting of the steering Committee for Anchor Institute Program was held on Friday, Dec 14, 2018 at Admin Building, Board Room from 11.30 AM to 12.45 PM. The following members attended the meeting:

1. Dr. K. S. Dasgupta (Director, DAIICT) – Chairman
2. Dr R N Prasad, Director – CED
3. Dr. R. K. Dave, Member, Advisor Guj Info Petro Ltd
4. Mr. Krishna Kataria, CED, Deputy Manager
5. Dr Jitendra Ajmeri representing Dr. Vaishali Mungurwadi (Principal, SCET Surat)
6. Dr S K Hedia representing Dr. A. D. Patel, Member(Principal, CHARUSAT, Changa)
7. Kiran Parmar Representing Member Dr. Y P Kosta (Provost, Marwadi Uni)
8. Dr. Amit Bhatt (Professor, DAIICT) – Member Secretary
9. Mr. Soman Nair, (Registrar, DAIICT) – Special invitee
10. Parth Vayeda (AIP officer) – Special invitee

Following Suggestions / observations were approved by the members of the steering committee

1. Members reviewed the details of the courses offered by DAIICT in the winter slot (Nov 15th to Dec 20th) including course title, total participation in each course, number of faculty members trained by each nodal institute and their feedback regarding the course. Committee expressed satisfaction over the number of courses, total participation and feedback for each course. It was noted that the average feedback for 8 courses varied between 9.4 to 8.4 on a scale of 10
2. Members were made aware of the points discussed in the second stakeholders meeting between DAIICT and nodal institute representative) held at DAIICT on 12th September 2018. Committee approved opening of bank account by each nodal institute with account name being <"official name of the institute" – nodal institute>. Some amount of OpEx can be transferred to each nodal institute to cover for expenses approved by DAIICT.
3. CED officials informed the committee that DAIICT should prepare a document detailing utilization timeline of the approved budget as soon as possible for a smooth disbursement of the funds. DAIICT has agreed to this.

4. For suggestion of new courses for possible inclusion in the curriculum of GTU as well as other technical institutes run by DTE, Dr Prasad offered to have a joint meeting with the VC of GTU, CED and DAIICT representatives. Similar exercise can also be done with DTE officials.
5. Dr Prasad informed the committee regarding scheme 2 floated by the CED known as the "short term bridge courses by industries/institutes scheme". It would require an established teaching institute joining hands with an industry partner to offer a training program in a technical area approved by the CED. Under this scheme, the CED would provide upto 75% of the cost of machinery and equipment including furniture and fixture including the refurbishing of the classrooms. Total cost should not exceed Rs 100 lakhs. Rest 25% of the cost is to be borne by the industry or institute. For more details please refer to <https://ced.gujarat.gov.in/assets/downloads/gr-01-04-2015-I.pdf>
6. It was decided that DAIICT would help CED in identifying 10 such institutes / industries who would be interested in this scheme. CED would help in providing a forum for such interaction
7. Dr Prasad suggested that DAIICT should explore offering courses in the area of cyber security to GCCI members. He suggested that DAIICT should contact Mr. Jaimin Vasa – President GCCI
