## MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (hereinafter referred to as the "MOU") is executed on this XX day of Month 2026, between **Government Engineering College, Modasa (GECM)**, hereinafter referred to as the "*First Party*", and **Khodiyar CAD Center, Ahmedabad (KCC)**, hereinafter referred to as the "*Second Party*".

The First Party and Second Party shall hereinafter be jointly referred to as the "*Parties*", and individually as a "*Party*."

### ABOUT GOVERNMENT ENGINEERING COLLEGE, MODASA

Government Engineering College, Modasa, established in 1984 under the Directorate of Technical Education, Gujarat State, aims to impart quality technical education and contribute to industrial development. Initially affiliated with HNGU, Patan (1984–2007), the institute has been affiliated with Gujarat Technological University (GTU), Ahmedabad, since 2008 and is recognised by AICTE, New Delhi.

The institute started with two undergraduate courses and now offers seven undergraduate and two postgraduate programmes. Each department is equipped with well-established laboratories, computer centres and qualified faculty. GECM strives for academic excellence, research, innovation, and entrepreneurship, producing competent technocrats dedicated to national service.

### ABOUT KHODIYAR CAD CENTER, AHMEDABAD

Founded in 2003, Khodiyar CAD Center is an engineering education and technology organisation focused on CAD/CAM/CAE, Building Information Modelling (BIM), Product Design, Digital Manufacturing and emerging Industry 4.0 engineering solutions.

The center delivers industry-oriented training, software implementation support, and technical skill development across Civil, Mechanical, Architecture and Product Design domains. The primary objective of Khodiyar CAD Centre is to bridge the gap between academic learning and industry requirements through an outcome-based training methodology, practical exposure, and competency-driven evaluation systems.

Khodiyar CAD Center operates as part of the Khodiyar technology ecosystem, collaborating with specialised divisions to ensure complete student lifecycle development:

- **Khodiyar CAD Center** – Training, skill development, workshops, internships and technical mentoring
- **Khodiyar Technovation Pvt. Ltd.** – Real industry project exposure, consultancy assignments, R&D activities and applied engineering implementation experience
- **Khodiyar HR Solutions** – Placement assistance, interview preparation, industry connect and recruitment coordination

Through this integrated structure, students (and all stakeholders) gain structured learning, real project exposure and employability readiness aligned with modern engineering practices and Industry 4.0 requirements.

The organisation actively collaborates with academic institutions and industry to promote applied learning, research participation, an innovation culture, and career readiness for engineering graduates.

#### **NOW, THEREFORE, THE PARTIES AGREE AS FOLLOWS:**

##### **1. General Objectives**
