GUJARAT TECHNOLOGICAL UNIVERSITY
M.E   Semester: III
Computer Engineering

Subject Name: **System Programming**

Sr. No	Course content
1.	Kernel mode programming.
2.	Network programming.
3.	Design and Implementation of system tools.
4.	Study & configuration of cluster computing tools.
5.	Installation and configuration of network simulator.
6.	Simulation of various protocols on network simulator.
7.	Study and configuration of various servers.
